Discover these exclusive new-build apartments just 1.5 km from the beach in Los Alcazares. These apartments offer a choice of ground floor homes with garden, mezzanine floors with terrace, or penthouses with a roof terrace. You can choose from 2 or 3 bedrooms and 2 bathrooms, with some apartments offering beautiful views of the golf and the sea. The ground floor apartments have a parking space on their own property, while the other apartments have a parking space within the project included in the price. All homes are equipped with fitted wardrobes, indoor and outdoor lighting, finished bathrooms, and a finished kitchen excluding electrical appliances. The ground floor apartments...(Ask for More Details!)
